

~Janelle Monae

"It's a big universe. Do stay in one tiny place is doing a disservice to yourself."

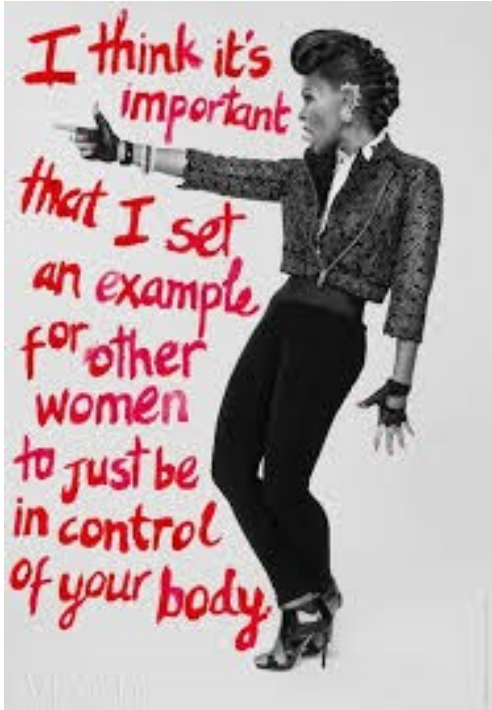

~Janelle Monae

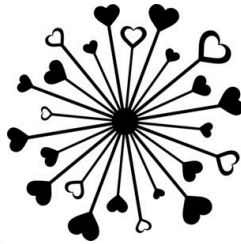

"You can find [love] in rock and roll, classical music, and jazz. I want some-thing that I'm drawn to, something that makes me say, 'Wow, I want people to know about this. I'm moved by this. I could listen to this all night.'"

EMBRACE WHAT  
UNIQUE,  
EVEN IF,  
IT MAKES  
OTHERS  
UNCOMFORTABLE.

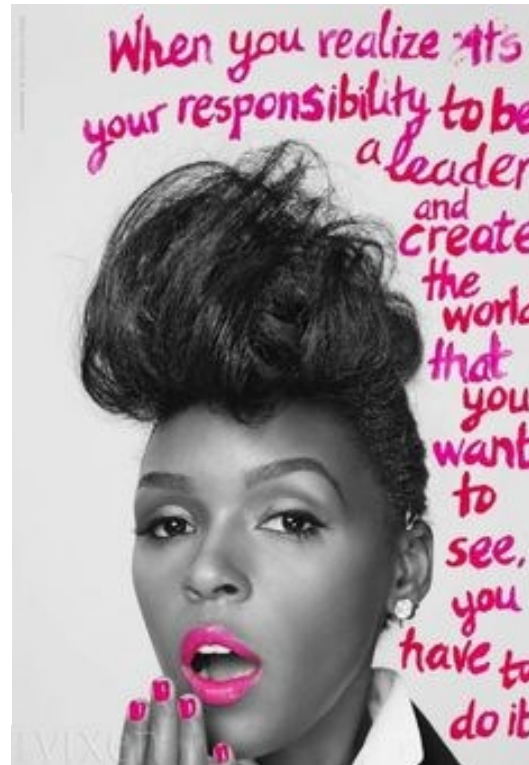

I think it's important that I set an example for other women to just be in control of your body.

"I really wanted to grow into this person who could handle everything, and I didn't know that that's just kind of impossible."

~Janelle Monae

When you realize it's your responsibility to be a leader and create the world that you want to see, you have to do it
